Soul Bound (A Blood Coven Vampire Novel)

Soul Bound is the seventh Blood Coven Vampire's satirical series. Like the previous books, this one maintains it's rather juvenile character development and plot. Don't get me wrong Sunny is way less whiny and Rayne is way less angry whiny than earlier books, but the overblown way Mari does it is hysterical.

Sunny McDonald and her vampire boyfriend, Magnus, are on the run-accused of treason and wanted alive...or undead. And her twin is the slayer sent to track them down. Rayne would do anything to save her twin sister, Sunny, from the Vampire Consortium dictator who wants her dead. Instead, she's been commissioned by Slayer Inc. to find Sunny and Magnus and deliver them to the Consortium...which Rayne knows means certain death. She also knows that if she and her boyfriend, Jareth, disobey orders, they are signing not only their own death warrants, but also those of every vampire in the Blood Coven. As a rival slayer with a personal vendetta moves in, Rayne and Jareth must do something to stop her. So they embark on their most dangerous journey yet, deep beneath the streets of New York City and through the Gates of the Underworld. But when a greedy god demands the ultimate sacrifice, will Rayne be forced to choose between her sister...and the vampire she loves?

After making a deal with the devil, Rayne and her twin sister Sunny have been given the chance to go back in time to prevent that fateful night when Sunny was bitten by vampire Magnus from ever happening.

The first two Blood Coven Vampire novels-now in one volume. Boys That Bite When Sunny McDonald's sister drags her to Club Fang, all she expects is a bunch of Goth kids playing at being vampires. But when a tall, handsome stranger mistakes Sunny for her dark-side-loving twin and bites her on the neck, she realizes his fangs are real-and deadly... Stake That Rayne McDonald had it all figured out: become the vampire mate of the Blood Coven master and live the high life for all eternity. But now, not only is Rayne fangless, but she discovers she's destined to be a vampire slayer instead...and sexy vampire bad boy Jareth keeps getting in her way.

Okay, so technically she can't because I'm immortal. Well, not yet. See, due to the worst case of mistaken identity with my dark-side-loving twin sister at a Goth club called Club Fang, Magnus, a vampire hottie, went for my innocent neck instead of hers. Now if I don't reverse it in time, Magnus will be my blood mate forever and I'm doomed to be a blood-gulping, pasty, daylight-hating vampire. Believe me, it seriously bites. After the unfortunate slaying of the vampire leader, it's up to me, my sister, and Magnus to find the one thing that can solve my problem!The Holy Grail. No joke. I seriously hope I can get out of this in time, because somehow, I scored the hottest prom date in my school, the mouth-watering Jake Wilder. And I do not want to be a vampire for the prom!let alone the rest of eternity...

Bestselling author Hannah Miller knows how to steam up the pages and make her fans swoon over her vampire heroes. But in real life, things are a lot less dramatic. Haunted by a terrible night in her past, she's become almost a recluse, holed up in her apartment, exploring the world through fiction. Keeping real life locked outside. Until one night-when Logan Valcourt walks into her book signing-accusing Hannah of being a fraud. Telling her it's obvious she knows nothing of real vampires...or real men for that matter. He's dark, brooding and looks disturbingly like the vampire hero of her books. And when he makes a bet with her-to prove vampires are real-she finds herself unable to say no. Now she's thrust into a world straight off the pages of a bestselling book. Of blood and vampires. Betrayal and murder. It's completely terrifying-yet completely intoxicating, all at the same time. Especially when she sees the look growing in Logan's eyes. A look of dark desire, that's becoming all too real. Will Hannah ever be able to return to the pages of her old life? Or will she begin a brand new chapter...once upon a vampire?This is the first book in a brand new Blood Coven Vampires crossover series and will feature familiar faces joining brand new characters.
