Revisits the world of the Black Jewels with four new novellas set in the Blood realm featuring Daemon, the Black Jeweled Warlord Prince of Dhemlan, Queen Sylvia, and Surreal SaDiablo.

In Winsol Gifts, Daemon is settling down into his married life with Jaenelle, his witch queen. But as celebration of Winsol draws near, he finds himself pulled in multiple directions. In Shades of Horror, when wounded Surreal returns to Ebon Rih her former lover Prince Falonar ruthlessly challenges the rule of her family. In Family, Someone lays a nasty trap for Queen Sylvia and the race is on to uncover the identity of the vicious warlord behind it. And in The High Lord's Daughter, Daemon shuts himself off in grief but can he be freed from it?

The Black Jewels Trilogy established Anne Bishop as an author whose "sublime skill...blend[s] the darkly macabre with spine-tingling emotional intensity" (SF Site). Now, the saga continues in this collection that includes four more adventures of Jaenelle and her kindred. Jaenelle is the most powerful Witch ever known, centuries of hopes and dreams made flesh at last. She has forged ties with three of the realm's mightiest Blood warriors: Saetan, the High Lord of Hell, who trains Jaenelle in magic and adopts her as his daughter; Lucivar, the winged Eyrien warlord who becomes her protector; and the near-immortal Daemon, born to be Witch's lover. Jaenelle has assumed her rightful place as Queen of the Darkness and restored order and peace to the realms, but at a terrible cost. Collected here are the beguiling stories about the origin of the mystical Jewels, the forbidden passion between Lucivar and a simple hearth witch, the clash between Saetan and a Priestess, and the choice Jaenelle must make, between her magic and happiness with Daemon...

To save Daemon, and the Realm of Kaeleer if he breaks, help must be sought from someone who no longer exists in any of the Realms--the only Queen powerful enough to control Daemon Sadi. The Queen known as Witch. As Jillian rides the winds of first love with Dillon, Daemon and Surreal struggle to survive the wounds of a marriage turned stormy--and Lucivar has to find a way to keep everyone in his family safe...even from each other.

Enter the dark and sensual realms of the Black Jewels, a world where power always has a price, in this sweeping story in the New York Times bestselling fantasy saga. They are Warlord Princes, men born to serve and protect. They are the Queen's Weapons, men born to destroy the Queen's enemies--no matter what face that enemy wears. Daemonar Yaslana knows how to be bossy yet supportive--traits he shares with his father, the Demon Prince, and his uncle, the High Lord of Hell. Within his generation of the family, he assumes the role of protector, supporting his sister Titian's artistic efforts and curbing his cousin Jaenelle Saetien's more adventurous ideas. But when a young Eyrien Queen, someone Titian thought was a friend, inflicts an emotional wound, Daemonar's counterattack brings him under the tutelage of Witch, the Queen whose continued existence is known only to a select few. As Daemonar is confronted by troubling changes within and around the family, he sees warnings that a taint in the Blood might be reappearing. Daemonar, along with his father and uncle, must uncover the source of a familiar evil--and Daemon Sadi, the High Lord of Hell, may be forced into making a terrible choice.
