Let it SNOW! William longs for it to snow. Maybe if he makes a wish on Grandpa's snow globe it will really happen. But disaster strikes when William drops the globe and breaks it! How can he say sorry to Grandpa, and will his wish ever come true? A sparkling story of magical winter wishes.

Celebrated picture book biographer Jeanette Winter shares the story of champion tennis players—and sisters—Venus and Serena Williams. Before they were famous tennis stars, Venus and Serena Williams were sisters with big dreams growing up in Compton, California. In the early mornings, they head to the tennis courts, clean up debris, and practice. They compete in their first tournament and they both win. From there, the girls ' trophy collection grows and grows. Despite adversity and health challenges, the sisters become two of the greatest tennis players of all time. This inspiring story of sisterhood, hard work, and determination is perfect for budding athletes or any young reader with a big dream.

life by the sea and secretly loves troubled war veteran, Danny Tremaine. When Tara returns Jules knows stepping away from him is the right thing to do, no matter how much it hurts. Danny Tremaine's world has been shattered. With life-changing injuries, a broken marriage and his glittering military career abruptly over, he returns to the family home to rebuild his broken body and heart. Danny knows his friendship with Jules could blossom into more but allowing this to happen will come at a very high price - one that could cost him everything. With Christmas fast approaching Jules, Danny and Tara are not the only people in the village with secrets and long cherished dreams. Maybe with a little seasonal magic, some winter wishes really will come true?

Rediscover your sense of wonder. The sequel to *Comet Weather*. The Fallow Sisters: Bee, Stella, Serena, Luna; four fey sisters drawn ever further from the familiar world of contemporary London and their Somerset home, from motorways, fashion design and music, into darker realms where no one is who they seem and nothing is to be trusted. When Serena's latest collection is mysteriously shredded on the eve of fashion week, the arrival of a wealthy benefactor seems a Godsend, but is he all he seems, and what of the green-skinned girl Bee takes in after finding her cowering in a churchyard? How are these connected to the magpie changeling (who claims to be an angel) sent to watch over Stella or the timeslips Luna is experiencing with ever greater frequency now that she's pregnant...? Something is coming for the Fallow sisters, their lovers and their friends, but they have no idea what, and their mother Alys is no help as she's gone wandering again, though she did promise to return by Christmas, and December is already here...

ONE OF TIME ' S 100 BEST BOOKS OF THE YEAR ONE OF NPR ' S BEST BOOKS OF 2019 NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2019 BY WOMAN ' S DAY, NEWSDAY, PUBLISHERS WEEKLY, BUSTLE, AND BOOK RIOT! “ [B]rilliant, timely, funny, heartbreaking. ” —Jojo Moyes, #1 New York Times bestselling author of *Me Before You* *Bridget Jones ' s Diary* meets *Americanah* in this disarmingly honest, boldly political, and truly inclusive novel that will speak to anyone who has gone looking for love and found something very different in its place. Queenie Jenkins is a twenty-five-year-old Jamaican British woman living in London, straddling two cultures and slotting neatly into neither. She works at a national newspaper, where she ' s constantly forced to compare herself to her white middle class peers. After a messy break up from her long-term white boyfriend, Queenie seeks comfort in all the wrong places... including several hazardous men who do a good job of occupying brain space and a bad job of affirming self-worth. As Queenie careens from one questionable decision to another, she finds herself wondering, “ What are you doing? Why are you doing it? Who do you want to be? ” —all of the questions today ' s woman must face in a world trying to answer them for her. With “ fresh and honest ” (Jojo Moyes) prose, Queenie is a remarkably relatable exploration of what it means to be a modern woman searching for meaning in today ' s world.

The Christmas pageant doesn ' t go QUITE as planned in this fantastically funny holiday tale for the forgetful kid in all of us. It ' s almost time for the nativity play, and everyone has been practicing hard. The narrators know their lines, the Important Angel has brushed her hair, and the audience is in their seats, eagerly awaiting a special Christmas performance. But there ' s one cast member whose listening skills haven ' t exactly been the best, and no one ' s expecting a spare shepherd to steal the show... This boldly illustrated picture book is full of festive fun, and a cheerful reminder that the unexpected can also be unexpectedly entertaining.

Dear Lucy Thank you so much for asking me if I needed help this Christmas. What a kind girl you are! As a matter of fact I do. My smallest reindeer is not very well, and needs someone to make him better before Christmas Eve. Starlight guides my sleigh through the night sky, so without him, I won't be able to deliver any presents. Go down to the shed at the bottom of your garden and you will find him. And Lucy, this is TOP SECRET! Lots of love from Santa Lucy has a big secret . . . Santa's left her a little reindeer in the garden shed! But Starlight is poorly, and Santa won't be able to deliver any presents if he's not well in time. Can Lucy make Starlight better and save Christmas? A magical winter's tale about a very special friendship, just in time for Christmas, which includes lovely black and white illustrations.

Just when William is ready to fall asleep in his cozy cabin, there is a tap on his window. A chilly chipmunk asks to stay, and Will scooches over in bed. "There's room for two -- I'm sure we'll fit." The chipmunk is just the first in a parade of mammals, each bigger than the last, until the bed is full. Then a note is slipped beneath the door: "Do you have room for just one more?" William tugs the door to see who's there . . . only to find a great big BEAR! Is there enough space to spare? Will the other animals be willing to share? Kids will delight at each new guest's arrival and enjoy counting along as the animals keep scooching over to fit in William's bed. Linda Ashman's clever rhymes set up each page turn with suspense and humor, and the expressions on Chuck Groenink's characters are perfect. This is must reading for the dark time of year when everyone wants to hibernate!
